**Scope of continued insurance**

I apply for the following scope of continued insurance:

Retirement provision and risk insurance (death and disability). I undertake to pay all employee and all employer contributions, i.e. savings and risk contributions, as well as contributions to administrative costs.

risk insurance only (death and disability). I undertake to pay all employee and all employer contributions, i.e. risk contributions as well as contributions to administrative costs.

**Insured salary**

I apply for the following applicable annual salary to determine the insured salary:

current annual salary  
 lower annual salary: CHF (min. CHF 22'050.00; status 2023)

**Savings plan**

I apply for the following savings plan:

Basic Plan                  Comfort Plan                  Super Plan

**Important notes**

For the duration of the continued insurance, voluntary insurance cannot be changed; excepted are the annual change of savings plan and modifications to legal and regulatory provisions.

For the duration of the continued insurance, regulatory rights and obligations shall continue to apply.

Should the duration of the continued insurance exceed two years, the insurance benefits must be withdrawn in the form of a pension.

Continued voluntary insurance is permissible only if the insured person remains insured with the AHV.
